SECTION C: Findings of Fact and Conclusions of Law

1. Mena Farm operates a commercial animal slaughtering facility in Haymarket, Virginia. An unnamed tributary of Chestnut Lick is located to the rear of the property.
2. While DEQ does not have any water quality information for the unnamed tributary or Chestnut Lick, it does have water quality information for Bull Run, which Chestnut Lick flows into. Bull Run is listed in the draft 2012 Integrated Water Quality Report as not supporting the recreation use, due to exceedances of the *E. coli* bacteria criterion. The aquatic life and wildlife uses are listed as fully supporting.
3. On December 29, 2012, the Virginia Department of Health (VDH) was contacted and responded to a complaint of a discharge of slaughter waste water from the Mena Farm property. VDH personnel arrived on scene and investigated the unnamed tributary of Chestnut Lick located to the rear of the Mena Farm property. Red colored water and several areas of foam were observed in the unnamed tributary along the Mena Farm property, consistent with animal slaughter waste materials.
4. Mena Farm is the only commercial/industrial source of wastewater in the unnamed tributary of Chestnut Lick that would produce materials as described.
5. VDH provided the aforementioned information and relevant photographs of the site to DEQ.

6. The Department has issued no permits or certificates to authorize the discharge of commercial/industrial wastewater from Mena Farm.
7. NRO issued Notice of Violation No. W2013-01-N-001 on January 30, 2013, to Mena Farm for the unauthorized discharge event.
8. Va. Code § 62.1-44.5 states that: “[E]xcept in compliance with a certificate issued by the Board, it shall be unlawful for any person to discharge into state waters sewage, industrial wastes, other wastes, or any noxious or deleterious substances.”
9. The unnamed tributary to Chestnut Lick is a surface water located wholly within the Commonwealth and is a “state water” under State Water Control Law.
10. Based on documentation provided to DEQ by VDH regarding the unauthorized discharge, the Board concludes that Mena Farm has violated Va. Code § 62.1-44.5 by the unauthorized discharge of animal slaughter waste materials to state waters as described in C(2) through C(3) above.
11. DEQ met with representatives from Mena Farm on March 5, 2013, to discuss the aforementioned unauthorized discharge, and the steps Mena Farm will take to prevent future unauthorized discharges.

SECTION D: Agreement and Order

Accordingly, by virtue of the authority granted it in Va. Code §§ 62.1-44.15, the Board orders Mena Farm, LLC, and Mena Farm, LLC agrees to perform the actions described in Appendix A of this Order.

SECTION E: Administrative Provisions

1. The Board may modify, rewrite, or amend this Order with the consent of the Mena Farm, LLC for good cause shown by Mena Farm, LLC, or on its own motion pursuant to the Administrative Process Act, Va. Code § 2.2-4000 *et seq.*, after notice and opportunity to be heard.
2. This Order addresses and resolves only those violations specifically identified in Section C of this Order. This Order shall not preclude the Board or the Director from taking any action authorized by law, including but not limited to: (1) taking any action authorized by law regarding any additional, subsequent, or subsequently discovered violations; (2) seeking subsequent remediation of the facility; or (3) taking subsequent action to enforce the Order.

3. For purposes of this Order and subsequent actions with respect to this Order only, Mena Farm, LLC admits the jurisdictional allegations, findings of fact, and conclusions of law contained herein.
4. Mena Farm, LLC consents to venue in the Circuit Court of the City of Richmond for any civil action taken to enforce the terms of this Order.

Nothing herein shall be construed as a waiver of the right to any administrative proceeding for, or to judicial review of, any action taken by the Board to modify, rewrite, amend, or enforce this Order.
6. Failure by Mena Farm, LLC to comply with any of the terms of this Order shall constitute a violation of an order of the Board. Nothing herein shall waive the initiation of appropriate enforcement actions or the issuance of additional orders as appropriate by the Board or the Director as a result of such violations. Nothing herein shall affect appropriate enforcement actions by any other federal, state, or local regulatory authority.
7. If any provision of this Order is found to be unenforceable for any reason, the remainder of the Order shall remain in full force and effect.
8. Mena Farm, LLC shall be responsible for failure to comply with any of the terms and conditions of this Order unless compliance is made impossible by earthquake, flood, other acts of God, war, strike, or such other unforeseeable circumstances beyond its control and not due to a lack of good faith or diligence on its part. Mena Farm, LLC shall demonstrate that such circumstances were beyond its control and not due to a lack of good faith or diligence on its part. Mena Farm, LLC shall notify the DEQ Regional Director verbally within 24 hours and in writing within three business days when circumstances are anticipated to occur, are occurring, or have occurred that may delay compliance or cause noncompliance with any requirement of the Order. 9. This Order is binding on the parties hereto and any successors in interest, designees and assigns, jointly and severally.
10. This Order shall become effective upon execution by both the Director or his designee and Mena Farm, LLC. Nevertheless, Mena Farm, LLC agrees to be bound by any compliance date which precedes the effective date of this Order.
11. This Order shall continue in effect until:
 - a. The Director or his designee terminates the Order after Mena Farm, LLC has completed all of the requirements of the Order;
 - b. Mena Farm, LLC petitions the Director or his designee to terminate the Order after it has completed all of the requirements of the Order and the Director or his designee approves the termination of the Order; or
 - c. the Director or Board terminates the Order in his or its sole discretion upon 30 days' written notice to Mena Farm, LLC.

Termination of this Order, or any obligation imposed in this Order, shall not operate to relieve Mena Farm, LLC from its obligation to comply with any statute, regulation, permit condition, other order, certificate, certification, standard, or requirement otherwise applicable.

12. Any plans, reports, schedules or specifications attached hereto or submitted by Mena Farm, LLC, and approved by the Department pursuant to this Order are incorporated into this Order. Any non-compliance with such approved documents shall be considered a violation of this Order.
